

# WE HULL & PORT<sup>®</sup>

## HULL AND PORT INSURANCE

WESPECIALTY is a Managing General Agency (MGA) based in Paris and Rouen. Through its specialty insurance-focused offering, the Group caters particularly to companies with international operations or those requiring bespoke solutions: industrial and commercial companies, commodity trading companies, transporters, logistics providers, and ship-owners.

### POSITIONING

Lead and co-insurance

### WESPECIALTY'S ADDED VALUE

- Tailor-made solutions for specialty insurance
- Recognised experts who embody their skills
- Instant access to more than 20 insurance companies
- An agile company that stands out for its proximity, responsiveness and transparency
