

WE LOGISTICS®

PROFESSIONAL AND CIVIL LIABILITY OF CARRIERS & LOGISTICS OPERATORS

WESPECIALTY is a Managing General Agency (MGA) based in Paris and Rouen. Through its specialty insurance-focused offering, the Group caters particularly to companies with international operations or those requiring bespoke solutions: industrial and commercial companies, commodity trading companies, transporters, logistics providers, and ship-owners.

POSITIONING

Lead and co-insurance position in primary and excess of loss lines

WESPECIALTY'S ADDED VALUE

- Tailor-made solutions for specialty insurance
- Recognised experts who embody their skills
- Instant access to more than 20 insurance companies
- An agile company that stands out for its proximity, responsiveness and transparency

OFFER

- Sectors: carriers, freight forwarders and logistics operators of any size
- Geographical scope: worldwide by all means
- Covered risk: transporters and logistics operators' civil liability (contractual or professional) toward clients, third-party contractors and employees
- Coverage extensions: transport in tankers, temperature-controlled goods, oversized and/or heavy lift cargoes, ad valorem insurance, theft clause 24/24
